

Corey Conway

Blues Funk and Jazz for the Soul!

Immersed from birth in a ridiculously diverse array of rhythm & blues, jazz, funk, soul, and rock, Corey Conway, an Akron, Ohio native, has recently established himself as one of the most exciting and tasteful multi-instrumentalists in Northeast Ohio.

With influences that span the entire musical spectrum, Conway's singular musical goal is simple: to create music that forces the listener to start bobbing their head. The result is an eclectic combination of interesting chord progressions, heavy backbeats, unique instrumentation, and refined guitar chops.

Stay tuned for a sequence of tasty new biscuits set to be released in late 2021!!
